Of course it should be mentioned what the penalty is for a “goy” breaking one of the laws.

All it takes is the testimony of a single Jew to convict a “goy” to death by decapitation.

Rambam writes in [Hilchot Melachim uMilchamoteihem 9:14](#) that non-Jews are commanded to establish courts to try those that transgress the seven Noahide commandments (which include murder).

A non-Jew can be convicted on the basis of a single witness’ testimony, and there is no requirement to warn him first. The punishment for transgressing any of the Noahide laws is death by sword (with a few exceptions) (ibid).

It should also be noted that the Noahide Laws were signed into US law by George H.W. Bush.

Public Law 102-268  
102d Congress

## Joint Resolution

Apr. 13, 1992  
[H.J. Res. 410]

Designating April 14, 1992, as "Education and Sharing Day, U.S.A.".

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation, the United States of America, was founded;

Whereas President George W. Bush, distinguished leader of our great Nation, stated "Ethical values are the foundation for civilized society. A society that fails to recognize or adhere to them cannot endure.";

Whereas these ethical values and principles have been the cornerstone of society since the dawn of civilization when they were known as the **Seven Noahide Laws**;

Whereas the Government of the United States and its citizens are committed to the ideals of social equality and the right of each and every person to share in the bounty the world has to offer—ideals deeply rooted in our Nation's history and boldly affirmed by the miraculous changes of the past year;

Whereas our Nation has recently witnessed the beginning triumph of these values through wonders around the world of biblical proportions;

Whereas the end of the Cold War heralds the beginning of an era where individual rights and human dignity become paramount and where the dream of a world in which material and spiritual deprivation is replaced by human kindness and compassion becomes a reality;

Whereas the absolute necessity of mutual responsibility and concern for the needy has been of particular concern to "the Rebbe", Rabbi Menachem M. Schneerson, leader of the Lubavitch movement;

Whereas the Lubavitch movement, through the establishment of over 1,000 social welfare and educational institutions throughout the world under the leadership of "the Rebbe", has long supported and promoted dedication to education and selfless concern for others;

Whereas Rabbi Menachem M. Schneerson has recently issued a worldwide call for a revitalized dedication to loving kindness, charity, and sharing between man and his fellow man;

Whereas Rabbi Menachem M. Schneerson is universally revered by all faiths, respected as spiritual leader of world Jewry, and his 90th birthday falls on April 14, 1992;

Whereas in tribute to this great spiritual leader, "the Rebbe", his birthday will be designated as "Education and Sharing Day U.S.A." and this year, his 91st, will mark a new beginning in an age-old commitment to education, accompanied by an increase in general acts of sharing with another, in order to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

This CIA Commie dweeb again. What did you expect to happen? The white man believed in a religion for centuries teaching ‘Salvation is from the Jews’ (John 4:22). You don’t need to be Wernher von Braun to figure out how that’s going to end for the white race.
